ABOUT THE GAME

Crazy Eights Blackjack is a multi-hand side-bet game for Blackjack that utilizes standard decks of playing cards.

The side-bet uses the Players first 2 cards and the Dealers up-card.

The side-bet wins if these 3 cards include an 8 in a variety of combinations.

- Players must bet on the Blackjack game before a Crazy Eights side-bet can be placed.
- The Blackjack bet is independent of the Crazy Eights side-bet.
- Crazy Eights payouts are determined by the first 2 cards dealt to the player and the first card dealt to the dealer.
- Applicable combinations of 8s will win a prize.
- Payouts are determined by a combination of the card value, suit, suit type & card colour.
- Only highest win is paid for any winning combination.
